My Dear Mrs. Manley: —

Am  
sorry you missed me by phone  
the other day.

Everything is O.K.

Your posters for opening day  
at Ruppert Stadium have been  
shipped today. I think the  
card is very attractive and the  
cut of Miss Johnson is very  
appealing. Have you got "mats"  
of some of your players. The only  
cuts I have of your ensemble  
are: — Suttles, Seay (old one) James  
Hill and Big Mackey (a Balto. cut that  
I scratched off) — So I could use a  
couple of new mats. I did not  
make passes for the 1000 posters  
as I thought you used yours.  
If you thought otherwise, let me  
know.

City Monarchs.

Also hope that Semler gets a break down there. He needs it, poor fellow. I like Jim a lot.

Well, all in all, lets hope the Negro National League has a banner year this coming season.

I got your wire O.K. and your 2 orders for N. Carolina have been shipped. I am

Sincerely

Mike

Lots of Luck - Miss Jacobs.  
Regards to Abe and ~~Miss~~ Jacobs.

You did not state whether I should send passes to Raleigh and Wilson N. Car. but I took it for granted so I made 100 passes for each place - Also checked last year's order on Wilson, N.C. and you played in the Wilson Municipal Stadium <sup>on Aug. 29<sup>th</sup>, 1939</sup> so I put that on cards. Enclosed find samples of both passes.

Here's hoping you get favorable weather down South. I understand Tom Wilson's Club beat Memphis <sup>at Memphis</sup> last Sunday at Memphis 13-2 and they had a very good crowd.

From reports on Posey that he sent us, they ran into unfavorable weather, but he expects a record turnout in New Orleans on ~~the~~ Apr. 28<sup>th</sup> with Kansas

My dear Mrs. Manley:-

Enclosed find  
samples of advertising pastes.

Also a few Blank Orders  
just fill in. I will send you  
some already made up in pad  
forms in the near future.

Your copies to date are good  
enough for me but the other clubs  
necessitated me making them up.

Let me know when you want  
me to send you bills.

Sincerely  
Mike
